Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 30 years, and it can really make a difference. In fact, schools have earned almost $1 billion through Box Tops since 1996.

The Box Tops app gives you the ability to earn for any school across the country with products you already buy. Plus, you can search for schools that could use a little extra help and give students in low-income schools the opportunity to succeed.

Here's how it works: Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products, and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. Let's give our teachers and students the support they need to succeed. **Together, we can make a big difference!**
